Althea and Restivo,

We just recieved these two reports from the field and wanted to notify you. You may recieve questions so we wanted to make you aware.

40ft by 12ft barge "ROMA"- Ingleside by the Bay  
Talked to RP - Dan Poole (owner).  
Drifted into concrete wall, Port Side submerged.  
Team on the way to assess and complete NDOW sheet.  
Overflight located well blow-out (gas and oil).  
Location: Nueces Bay, E. White Point.  
Water Assessment Team diverting  
Update: natural gas well - no sheen, LEL or VOCs
